

Travel Vaccination Information Sheet

We would be grateful if you could complete and return a Travel Advice Questionnaire at least 8 weeks in advance of your date of departure.

Please be aware that if your date of departure is less than 8 weeks from completion of the Questionnaire this service may not be available unless under exceptional circumstances. If this is the case you may find useful information at www.fitfortravel.nhs.uk

There is a £10 fee for each patient who consults the Practice Nurse for travel advice.

Please note very few vaccines are available on an NHS prescription therefore you may incur a charge.
